c. Young Kazakhs were selected to study at the Northwest Academy of Nationalities, and later returned to the Kazakh area.	
as a result of the above propaganda campaign, more th	
300 Kazakhs had defected to the Communists, but more than 1,100 armed ant Communist Kazakhs remained. the Northwest Military Area supplemented the propaganda campaign with military force. The defected Kazakhs served as guides for the attackers. As a result, the majority of the anti-Communist Kazakhs moved into Tsinghai Province.	25 <b>X</b> 1
